Mansfield Autism Practitioners (MAPs) deliver in home support for clients and their families following a diagnosis of autism.

MAPs work in the family home to provide intensive support for children with Autism. They work alongside parents and carers to increase confidence and model behaviour support strategies. This package is designed to be run over a six to twelve month period. The Autism Practitioner can work outside of school hours to deliver support in the family home. A full package of support is 92 hours however part packages may be considered.
