

# School Holiday Program

## Based at our accomodation in Mansfield

The School Holiday Program provides short term accomodation for children and young people with autism.

The School Holiday Program is run at our residence in Mansfield. The focus is on a fun holiday in a structured and supportive environment. Staffing levels during these placements are matched with the needs of each individual.

The School holiday program includes: community access designed to explore the beautiful natural environment of Mansfield, health and wellbeing activities and healthy eating and nutrition.
